

Auctionlist Closing Date Sunday 24th. September 2017 !

Foreword

Hello Recordcollectors,

the new Auction-Regulations have found a positive feed back.

Requirement level was not higher then before. There will be still no reason, cause everyone is bidding what he likes - like before!

What else? German music before 1945 has a rich culture of "Chanson". Especially female Singer can be more then male singers. This time in the "Kleinkunst" area a lot are listed, not only where "Chanson" is written!

In the remarks to each record you will often find "lscrs" = light scratches = not audible. For 78 Records normal ,nearly no records without them. However I always write if there are some of this light scratches to find / see.

Three Colleagues have given Records to the auction.

How to sort more then 3000 Items? Not easy! Would be possible to fit records in different categorys. So is recommendable to study all categorys.

**Last not least, Label Scans you will find on my webside: www.rcc78.de
There are always lot of Records for fixed price are listed!**

With many Collectorgreetings from Germany

Michael Ladwig

P.S.

All Collectors who are taking part of the list, will get a list with the unsold records for a fixed price after the auction . This Time I will send this list by email as a pdf-File. That´s more practical and easier.
