

Auctionlist Closing Date Sunday 7th. October 2018 !

Foreword

Hello Recordcollectors,

welcome to the this year record- and / or number-salad.

Yes, it's like this, because so many information inside and nearly not possible to work it out without faults. Most of all is the Number turner, If you will find some, please let me know and I can eliminate faults an add other information. Thanks in advance!

Other theme. Records fom collections. Lot of you know it, often we have the case that records in bad condition have good sound. The old Collectors knew that! Often Quality pressings from major companys are well known for this phenomen. Records like this were often given the attribute "spielt gut" means plays well!

Lot of german Variety (Kleinkunst) you'll find under German Dancemusic! Why this? Simple! It would be possible to fit records in different categorys. So it is recommendable to study all categorys.

This year three Colleagues have given Records to the auction.

Last not least, Label Scans you will find on my webside: www.rcc78.de

There are always nearly 3000 Records for fixed price are listed!

With many Collector greetings from Germany

Michael Ladwig

P.S.

All Collectors who are taking part of the list, will get a list with the unsold records for a good fixed price after the auction . This Time I will send this list by email as a pdf-File. That's more practical and easier.
